

**162

The image shows a technical drawing of a vertical pole. On the left is a top-down view of the circular top section, which has a central hole and several smaller holes around its perimeter. A vertical dimension line with arrows at both ends is positioned to the left of the top view, indicating a height of 162 units. To the right of the top view is a side view of the pole, showing a vertical shaft with a flange-like structure at the top. The drawing is rendered in black lines on a white background.
