

Crocodile Bench

M243

The Crocodile Bench is the playful solution for a rest for young children. They will delight in this friendly but fierce character that will support their active play, too. The crocodile supports social-emotional and physical skills for young children. The intentional design helps children to stay and play, which provides developmental benefits as well as thrilling fun!

In addition to being a place to sit alone or with friends, the Crocodile supports friendship skills. The small holes stimulate exploration and provide children with opportunities to play peek-a-boo and other games. Infants will also enjoy moving around the Crocodile, and pulling themselves up to stand, they train important physical skills such as coordination and muscle

strength.

Item no. M24370-3418P

General Product Information

Dimensions LxWxH	70x225x65 cm
Age group	2 - 5
Play capacity (users)	4
Colour options	

Crocodile Bench

M243

Panels of 19mm EcoCore™. EcoCore™ is a highly durable, eco friendly material, which is not only recyclable after use, but also consists of a core produced from 100% recycled material.

The seating area is made of HPL with a thickness 17.8 mm. KOMPAN HPL has high wearing strength to ensure long lifetime in all climates.

Item no. M24370-3418P

Installation Information

Max. fall height	0 cm
Safety surfacing area	0,0 m ²
Total installation time	2,5
Excavation volume	0,09 m ³
Concrete volume	0,00 m ³
Footing depth (standard)	60 cm
Shipment weight	43 kg
Anchoring options	In-ground ✓ Surface ✓

Warranty Information

EcoCore HDPE	Lifetime
HPL seat	15 years
Spare parts guaranteed	10 years

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
