

The image shows a technical drawing of a playground slide structure. On the left, a vertical dimension line indicates a height of 320 units, with two asterisks (**). Below it, another vertical dimension line indicates a height of 100 units, with one asterisk (*). The drawing shows a slide with a curved bottom, supported by a frame of vertical posts and horizontal beams. A climbing net is visible on the left side of the structure. On the right side, there is a vertical post with a small handle or latch near the bottom.
