

**292

This is a technical architectural drawing of a chair, model NRO408, shown at a 1:100 scale. The drawing consists of two views: a front elevation on the left and a side elevation on the right. The front view shows a chair with a high, cylindrical backrest featuring horizontal slats. The seat is curved and supported by a central vertical post. The chair has four legs, with the front legs being slightly angled outwards. A vertical dimension line on the left indicates a height of 292 units. The side view shows the chair's profile, highlighting the curved seat and the curved backrest. A horizontal dimension line at the bottom indicates a width of 48 units. The drawing is a black and white line drawing with no shading.
